

John C. Pilot Commercial Pilot Certificate #999999999 LOGBOOK INVENTORY				
Logbooks Presented	Format	Date Range	Condition	Notes
Logbook #1	Paper Logbook	6/23/2009 to 7/15/2024	In my possession	Civilian Logbook
Logbook #2	Paper Logs from Military	2/16/2016 to 02/05/2025	In my possession	Military Flight Records: Flying History Report (FHR), Individual Flight Records Reports (IFRR), Automated Aircrew Management System (AAMS/Excel IFR), and Specialized Undergraduate Pilot Training Records for T-6A and T-1A (Summary Record of Training)
Logbook #3	Electronic Logbook	5/22/2013 to 02/05/2025	In my possession	MilKEEP Comparative Pilot Logbook: Line-by-line transcription of all my Military Flight Records and my civilian paper logbooks. Did not include my familiarization flight on 6/23/2009 from my paper logbook due to not being able to input it correctly into MilKEEP.

NOTE TO REVIEW PANEL:

All flight time contained in my paper logbooks has been transcribed, with each flight having been incorporated into my Electronic Logbook. All flight hours in this electronic logbook, and the summaries, is complete and cumulative.

For the convenience of the Review Panel, copies of my original certificates and endorsements can be found under the "Training" tab in this Electronic Logbook binder.

John C. Pilot
Commercial Pilot
Certificate #999999999
AVIATION CAREER MILESTONES

Tab #	Date	Milestone Event	Outcome	Remarks
1	August 30, 2013	Private Pilot Certificate	Pass	Date of checkride at Sky Chiefs Aviation.
2	March 13, 2015	T-6A Contact Checkride Failure	Fail	Checkride failures for T-6A listed in the Summary Record of Training, pages 1-2. Date of checkride failure estimated.
3	December 3, 2015	T-1A Navigation Checkride Failure	Fail	Checkride failures for T-1A listed in the Summary Record of Training, pages 3-3. Date of checkride failure estimated.
4	February 16, 2016	T-6A/T-1A Primary training completed	Pass	Discrepancy on training completed on Summary Record of Training (2/24/2016). Received pilot wings and completed training on 2/16/2016. T-6A completion date is 07/15/2015 (Milkeep shows 2/16/2016 due to completion of pilot training).
